

SSL Solar Lights - *Grid Free*TM

Off-Grid System - Turn-Key Assembly, Ready to Install
Single and Dual 40 Watt, Single 70 Watt Induction Lights

- 175 Watt Mono-Crystalline Solar Modules
- SSL Patented Architectural Mount - withstands 130+mph winds
 - Top of the Pole Mount Design Supports 1 to 3 Modules
 - Field Adjustable For Optimum Array Mounting Angles
 - 3/16" Gage Steel
 - Mounts on SSL 5"x5" Pole, Other Mounts Available
 - 2" x 1/4" Wall x 4' Mounting Arm, Other Lengths Available
- SSL 5"x5"x5/16" Wall Steel Pole with Tenon and Anchor Bolts
- 40 and 70 Watt Cobra Head Induction Light, Shoe Box Option

- Locking NEMA 3R Battery and Electronics Enclosure
 - 1/8" Aluminum with Stainless Steel Hinges
 - Gel Cell Batteries Last 3500 to 5000 Working Cycles
 - 24 VDC System with Field Adjustable Lighting Profiles
 - Temperature Compensating Controllers, MPPT Options
 - Optional Cooling Fans and Shelf for Other Equipment

Note - Entire Assembly (accept module frames) can be optionally powder coated in any PMS color!

Grid Free System - Base Models include 4 foot light arm. Pole is optional

Base Model No.	Modules	Battery Voltage & Ahr	Battery Qty	Lights
GF17521080401	1	12 Volts-108AHR	2	Single 40 Watt-Type III
GF35021080401	2	12 Volts-108AHR	2	Single 40 Watt-Type III
GF35041080701	2	12 Volts-108AHR	4	Single 70 Watt-Type III
GF35041080402	2	12 Volts-108AHR	4	Dual 40 Watt-Type III
GF52521080401	3	12 Volts-108AHR	2	Single 40 Watt-Type III
GF52541080701	3	12 Volts-108AHR	4	Single 70 Watt-Type III
GF52541080402	3	12 Volts-108AHR	4	Dual 40 Watt-Type III
GF52542100401	3	6 Volts-210AHR	4	Single 40 Watt-Type III
GF52542100701	3	6 Volts-210AHR	4	Single 70 Watt-Type III
GF52542100702	3	6 Volts-210AHR	4	Dual 40 Watt-Type III

Options not listed below - Consult with your Sales Specialist

- SSLStdP20 5"x5"x5/16" wall x 20' Pole with tenon and anchor bolts
- SSLStdP18 5"x5"x5/16" wall x 18' Pole with tenon and anchor bolts
- SSLStdP16 5"x5"x5/16" wall x 16' Pole with tenon and anchor bolts
- SSLArm06 Upgrade from 4' to 6' Lighting Arm
- SSLArm08 Upgrade from 4' to 8' Lighting Arm
- SSLArm06 Motion Sensor
- SSLAdk01 Class B and Class C Wood Pole Adapter Kit
